### Your Comment

Geachte Leaseweb,

Dit is voor mij de eerste keer dat ik een GameServe online zet.  
Wil niet onverwacht voor problemen en kosten staan en heb daarom nog enige vragen:

- Hoe werkt het met het Toegewezen IP adres:
- En moet ik me aanpassen betreft de server en domein naam ?
- Is de prijs vast of kan ik extra kosten verwachten? (stroom en data-verbruik)
- Hoe worden de totaal kosten uiteindelijk berekend ?

Zijn er verder nog punten waar ik niet aan gedacht heb ?  
Wil namelijk dat mijn machine zo probleemloos op jullie netwerk aansluit.

Server informatie: DELL PowerEdge 1850 Debian 6 Squeeze.  
Neem aan dat ik jullie zo voldoende geïnformeerd te heb.

Met Vriendelijke Groet,

Gerrit Anne Marinus

## Legal notice (v2011-1\_4):

1. For the purpose of this Order Confirmation and this legal notice, a reference to "**LeaseWeb**" shall mean a reference to LeaseWeb B.V.
2. The scope and nature of the services offered by LeaseWeb are set out in the "**Services Specification**". The performance parameters or service levels with respect to the services offered by LeaseWeb are set out in the "**Service Level Schedule**".
3. LeaseWeb applies general terms and conditions with respect to the provision of services and products by LeaseWeb (the "**General Conditions**"), and furthermore applies policies and guidelines with respect to the use of its services (the "**LeaseWeb Policies**").
4. The definitions described and set forth in the General Conditions shall apply to this Order Confirmation.
5. Customer has completed the online purchase process on LeaseWeb's website, and has submitted a Purchase Order to LeaseWeb. As part of the online purchase process, the Services Specification, the Service Level Schedule, the General Conditions and the LeaseWeb Policies have been made available to Customer, as well as any other special or specific conditions that may be pertinent to Customer's order, e.g. conditions related to Customer's chosen method of payment. As part of its completion of the online purchase process, and submission of its Purchase Order, Customer has (i) confirmed it has read that Customer has read the Services Specification, the Service Level Schedule, the General Conditions, the LeaseWeb Policies, and such other special or specific conditions that may be pertinent to Customer's order; and (ii) acknowledged and agreed that each of the documents listed above shall be applicable to the Order, to the Agreement and the provision of Services and products by LeaseWeb to Customer, as well as to any other agreements and/or legal relationships between LeaseWeb and Customer resulting there from or in connection therewith.
6. Through this Order Confirmation LeaseWeb confirms that LeaseWeb accepts the Purchase Order, and will provide the Service(s) and/or Equipment requested by Customer, as specified above. As a result hereof, the Order has come into existence and this Order Confirmation shall also be deemed an Order Form.
7. This Order Confirmation, the Order, the provision of Services and Equipment by LeaseWeb and any other agreements and/or legal relationships between LeaseWeb and Customer are governed by the laws of the Netherlands, to the exclusion of the provisions of the UN Convention on Contracts for the International Sale of Goods.
8. Subject to the relevant clause in the General Conditions on jurisdiction and dispute resolution, the competent courts of Amsterdam, the Netherlands, shall have exclusive jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Agreement or other agreements or other legal relationships resulting there from.
